

**21 May 2009
7:00pm**

Silverlight: The Art of the Possible,
a short talk and demonstration of this
new technology from Microsoft

**By Michael McClary,
Digital Agency Platform Strategy Advisor**

Microsoft UK

Venue: Oxford e-Research Centre, 6 Keble Road OX1 3QG

Whether you are an advanced programmer or an interested IT user come along and find out about this exciting new Web based technology that Microsoft plans will significantly enhance our online experience.

The meeting is free for members and non-members.
