

July 2004

Competition Announcement

Every two years the Oxfordshire Branch of the British Computer Society holds an Oxfordshire Schools Competition. We are delighted to announce that in the autumn of this year we will be launching this exciting website competition for 2005. Details will be released in the autumn with the Prize Ceremony to be held at Cranfield University's Shrivenham campus on 23rd June 2005. Prizes for 2005 are not yet finalised, but in 2003 the excellent prizes for both the students and the schools included PCs, Software CDs, MP3 players and digital cameras.

Look out for updates at the end of September with further details and rules. In the meantime you can look at our website at www.oxon.bcs.org to see what went on last year.
